PUT GOD FIRST IN YOUR LIFE

The Power of Putting God First in Our Lives Simple Benefits for Everyday Life

In a world that often pulls us in countless directions, with demands competing for our attention, there's a timeless principle that has the potential to bring clarity, purpose, and fulfillment: putting God first in our lives. Whether one adheres to a specific religious tradition or embraces a more spiritual outlook, the concept of prioritizing a higher power can yield profound benefits that transcend the mundane aspects of daily existence.

At its core, placing God at the forefront of our lives involves acknowledging a presence beyond ourselves, recognizing a divine wisdom and guidance that surpasses human understanding. It's about aligning our thoughts, actions, and intentions with principles of love, compassion, and righteousness. While the benefits of this practice may vary from person to person, there are several overarching advantages that arise when we make this conscious choice.

1. **Clarity of Purpose:** When we prioritize our relationship with God, we gain a clearer sense of purpose and direction in life. Rather than being swept along by the tide of societal expectations or personal ambitions, we anchor ourselves to timeless truths and values that provide a solid foundation for decision-making and goal-setting. This clarity enables us to pursue endeavors that are in alignment with our deepest values and aspirations.
2. **Inner Peace and Contentment:** In a world characterized by constant change and uncertainty, inner peace can feel elusive. However, by prioritizing God, we cultivate a sense of inner tranquility that isn't dependent on external circumstances. Trusting in a higher power and surrendering our worries and fears allows us to experience a profound sense of peace that surpasses understanding. This inner contentment enables us to navigate life's challenges with grace and resilience.
3. **Guidance and Wisdom:** Putting God first opens the door to divine guidance and wisdom. By seeking spiritual insights through prayer, meditation, or sacred texts, we tap into a wellspring of knowledge that transcends human limitations. This guidance can illuminate our path, offering clarity in times of confusion and wisdom in moments of decision-making. When we align our will with God's, we invite blessings and opportunities into our lives that we may have never imagined.
4. **Strength in Adversity:** Life is replete with trials and tribulations, but when God is our refuge and strength, we find the courage and resilience to face adversity head-on. Drawing upon a deep reservoir of faith, we discover an inner strength that enables us to persevere through life's storms with unwavering trust and hope. Rather than succumbing to despair or bitterness, we emerge from trials stronger and more resilient than before.
5. **Enhanced Relationships:** Prioritizing God often leads to the cultivation of healthier and more meaningful relationships. By embodying principles of love, compassion, and forgiveness, we become better spouses, parents, friends, and citizens. Our interactions with others are infused with grace and kindness, fostering deeper connections and mutual respect. Moreover, placing God at the center of our relationships can help us navigate conflicts and challenges with humility and understanding.
6. **A Life of Service and Purpose:** When we prioritize God, we recognize that life is not merely about personal gain or achievement but about serving others and making a positive impact in the world. By channeling our time, talents, and resources towards acts of kindness and generosity, we fulfill our highest calling as instruments of divine love and compassion. In serving others, we find fulfillment and purpose that transcends our individual desires and ambitions.

In conclusion, putting God first in our lives is not just a religious doctrine but a principle that has the power to enrich every aspect of our existence. By aligning ourselves with divine wisdom and guidance, we unlock a myriad of benefits that elevate our spiritual, emotional, and relational well-being. As we embark on this journey of faith and surrender, may we experience the abundant blessings that flow from a life lived in alignment with divine purpose and putting God first.

Introducing Hayden Walsh Director of Student Ministries

Hayden Walsh is our new Director of Student Ministries here at First Christian Church of the Beaches! Hayden is married to his beautiful wife, Adrianna, who he met and began dating during his time in college. They married in November of 2017 and were blessed with a baby boy, Henry, in July of 2021!

Being raised in a Christian home and church, the hope of the Gospel of Jesus Christ had been imparted to Hayden in both words and actions of his family and friends. At a young age, Hayden trusted Jesus as his Lord and Savior and was baptized at Paramount Baptist Church, where he was led in discipleship by many men and women, formed a solid foundation of belief and growth, and eventually served in many different capacities.

Hayden began feeling called into pastoral ministry as a high school student and has been following that calling since then. He holds a Bachelor of Arts degree in Psychology from West Texas A&M University, and is currently working on his Master of Divinity in Great Commission Studies at The Southern Baptist Theological Seminary. Hayden has served in full-time vocational ministry since 2016 as a student pastor, a student ministry associate, and a technical director.

We Are Not of This World

There is a mysterious current that flows in the mighty Atlantic Ocean.

Here in Northeast Florida it is 66 nautical miles east northeast of Saint Augustine Beach and 68 nautical miles east of Jacksonville Beach. It ignores tides and flows steadily on its own course. It has a different color, being a deeper blue. It even has a different temperature being warmer. The direction is also different- it flows from south to north. It's in the ocean, but yet it's not a part of it. If you haven't already guess, it is called the Atlantic Gulf Stream.

That description is a lot like the people who are followers and believers of Jesus Christ. We are like the Gulf Stream. We are in the world, but we are not of the world. There's a big difference.

Jesus talked about the difference, as He prayed to His Father. A prayer for His disciples and for us, "I have given them Your word. And the world hates them because they do not belong to the world, just as I do not belong to the world. I'm not asking You to take them out of the world, but to keep them safe from the evil one. They do not belong to this world anymore than I do." (John 17:14-15).

The Bible says, "Do not be conformed to this world, but be transformed by the renewing of your mind, that by testing you may discern the will of God, what is good and acceptable and perfect." (Romans 12:2).

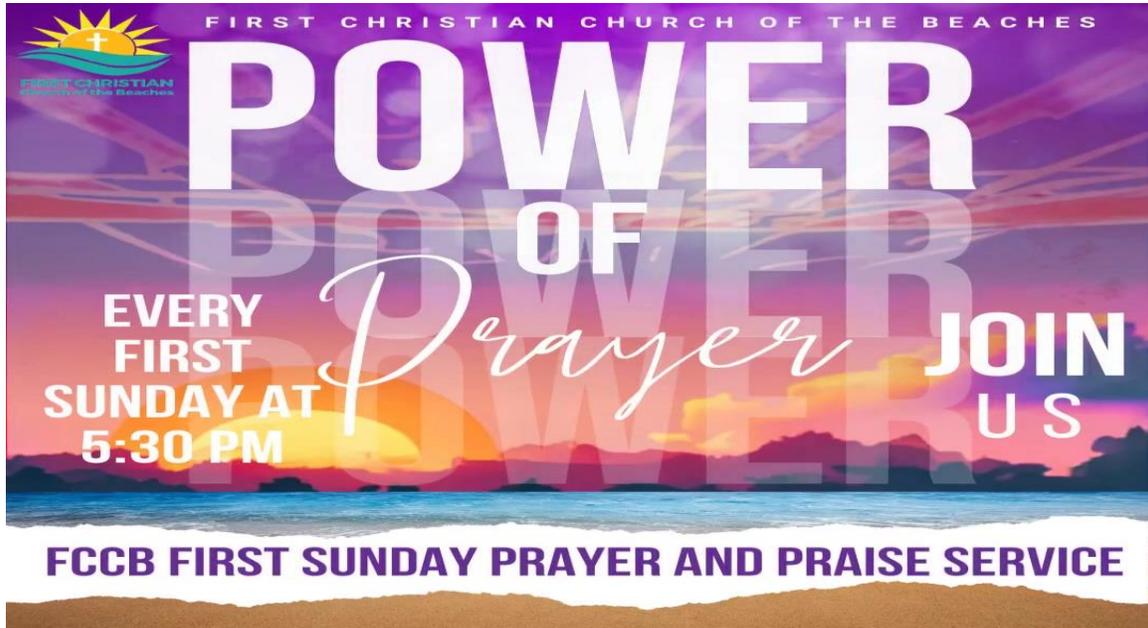

Even though we come in daily contact with the world, we are able to retain our Christlike character when our mind stays focused on Jesus through the help of the Holy Spirit. We must resist being pressed into the world's mold. Our citizenship is in Heaven and we await a Savior from there.

Remember, we're not home yet-just headed there. Rest easy, and continue to let your daily thoughts, words and actions flow counter to this world.

NATIONAL DAY OF PRAYER
Thursday, May 2, 2024
7:30 am to 7:30 pm
Meet at FCCB on the East Lawn

“Lift up the Word – Light up the World”
29 You, LORD, are my lamp;
the LORD turns my darkness into light.
30 With your help I can advance against a troop;
with my God I can scale a wall.
31 “As for God, his way is perfect:
The LORD’s word is flawless;
he shields all who take refuge in him.
2 Samuel 22:29-31 NIV

A heartfelt thanks to everyone who participated in the Easter Prayer Vigil. We appreciate you! Since 1952, every President has signed a National Day of Prayer Proclamation. Let's heed the call to 'Lift up the Word – Light up the World,' drawing strength from the verse in 2 Samuel 22:29-31. Join the church, our community, and organizations nationwide as we unite in prayer for America's healing, guidance, and strength. Together, we can make a difference. It's essential that we come together in prayer for our nation's well-being.

Mission Moment

by Barbara Lynn, Mission Team Leader

“He who supplies seed to the sower and bread for food will supply and increase your store of seed and will enlarge the harvest of your righteousness. You will be made rich in every way so that you can be generous on every occasion, and your generosity will result in thanksgiving to God.” 2 Corinthians 9:10-11

Paul appeals to our Christian responsibility to help those in need. In this passage, he details the side effects of generosity. Giving enriches and benefits the giver as well as the recipient. A gift can be an act of worship to God and inspire other people’s faith and thanksgiving. May our generosity abound to supply the needs of God’s people and overflow into expressions of thanks and praise to God.

FCCB continues to be committed to sharing 10% of each month’s undesignated tithes and offerings here in our Beaches community, in Jacksonville, nationally, and internationally. Input from FCCB members (contact me if you have a suggestion), church leadership, and the direction of the Holy Spirit guide the decisions made by the Missions Team to disburse these funds.

We give a regular monthly amount to the ministries listed below. Our regular giving helps these ministries to plan their work and usually represents a tithe of about half of the monthly amount received in undesignated tithes and offerings.

FCCB gives on a regular basis to the following organizations:

Anchor Academy Pantry, ARC of the St. Johns, Beaches Emergency Assistance Ministry (BEAM), Beaches Community Kitchen, Child Fund International support of Jenesis, the young girl we sponsor, Dial-A-Ride, Disciple Heritage Fellowship, Fellowship of Christian Athletes, First Coast Women’s Services, Florida Christian Center, Foreign Missions, Gideons International, Mission House, Seniors on a Mission, Sulzbacher Clinic-Beaches, Beaches Healthcare, among others.

Anything received beyond the amount needed to make these regular monthly gifts becomes Discretionary Missions dollars and is used for special gifts to meet particular needs such as:

Back to School with BEAM, Disaster Relief through Disciples Week of Compassion, Individual Needs (FCCB members and community neighbors), Love Packages postage, Neptune Beach Police No More Empty Stockings Fund, and Samaritan’s Purse/Operation Christmas Child

Heavenly Father, thank You for blessing us so that we may bless others in Your name. Open our hearts, eyes, and ears to the work You would have us do in Your world and put us in motion for Your glory. Amen.

HOW TO ENGAGE WITH SOCIAL MEDIA

In the digital age, social media has become a vital platform for connecting with communities, sharing messages, and fostering meaningful interactions. It's an effective way of reaching people in many different areas and having a spiritual impact. For First Christian Church of the Beaches, harnessing the potential power of social media is essential for spreading our message of faith, love, and hope. However, the impact of our posts relies not only on the efforts of the church but also on the active engagement of you, our members. Here are some ways that you can play a pivotal role in amplifying the reach of social media posts from FCCB.

1. Engagement: FCCB has a Facebook and an Instagram page. Both the Facebook and Instagram pages handle is FCCBeaches. Please take the time to follow and connect with FCCB on these platforms. When you read a post, take the time to **like it or react to it**, and not just read it. Facebook's algorithms are based on likes, comments, and quickness of reactions. The more likes and responses we have, the more our posts are shared to other individuals outside our followers. When you read a post that resonates with you, whether it's a thought-provoking quote, a scripture passage, or an event announcement, your engagement matters. By liking, commenting, or sharing content, you signal to social media algorithms the value of the post, increasing its visibility to a wider audience. Some of our posts have reached over 1,100 people based on your likes.

2. Purposeful Sharing: Sharing posts from FCCB is a powerful way to extend our social media reach beyond our immediate followers. When you share content to your own profiles or within relevant groups, you introduce our message to new audiences. Whether it's a powerful sermon excerpt, an invitation to an upcoming event, or a testimony of faith, each share has the potential to spark meaningful connections and conversations.

3. Strategic Timing: Timing can significantly impact the visibility and engagement of social media posts. By engaging with content from FCCB at strategic times—such as when it is first published or during peak user activity—you can increase the likelihood of our posts appearing in the feeds of others. This helps us maximize the reach and impact of our posts.

4. Leveraging Social Media Features: Social media platforms offer many features that you can leverage to increase engagement with our posts. Whether it's tagging friends who may be interested, using hashtags #, or participating in polls and discussions, you can optimize these features to expand the reach of our content and encourage meaningful interactions.

5. Providing Feedback and Support: Beyond likes and shares, you can contribute to the conversation by providing feedback and offering words of encouragement in your response. Whether it's sharing personal reflections, expressing gratitude for a particular message, or offering prayers and support, these interactions help us connect with others and strengthens our online impact and presence. It helps us increase our reach and makes our Church real and personal.

In summary, we need you to engage with our social media platforms. Through interaction and engagement, purposeful sharing, strategic timing, leveraging social media features, and providing feedback and support, you can play a vital role in amplifying our message of faith, love, and hope, and reaching a broader audience for Christ. Together, we can cultivate a vibrant online community that reflects the values and mission of our beautiful Church.

Stewardship

by Bill Gowen

is managing resources, relationships and opportunities that have been entrusted to us by God - in a manner that glorifies Him and furthers His kingdom.

Serve God Not Money

We must choose where our ultimate loyalty will lie; Jesus' contrast between earthly and heavenly treasures and masters is too sharp to allow compromise. "No servant can serve two masters; for either he will hate the one, and love the other, or else he will hold to one, and despise the other. You cannot serve God and money." (Luke 16:13).

Haddon Robinson put the issue in these terms: Either we serve God and use money or we serve money and use God. Yet, few Christians deliberately dedicate their lives to materialism. Wealth is deceitful, Jesus told us, and its bondage is subtle. Like the flypaper and the fly, the fly lands on the sticky substance thinking "my flypaper" only to discover that the flypaper says "my fly."

Our wealth depends not so much on what we have, but on what we can do without. We can cling so hard to possessions that they won't let us go. One of the qualifications for both elders and deacons is that they be "free from the love of money" and not "fond of sordid gain" (1 Tim. 3:3,8). God wants us to love people and use things. Too often we use people and love things. We do not own the things we cannot give away--they own us.

ATTENTION ALL LADIES OF THE CHURCH:

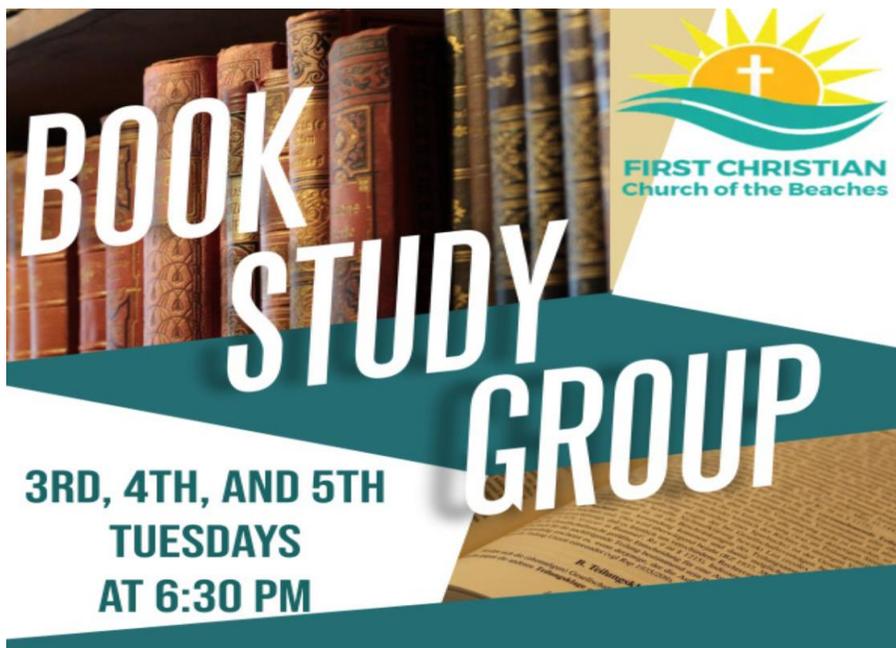

We would appreciate your help by completing the CWF Survey that will be inserted in the bulletin Sunday April 14th. This will help us understand the most convenient times to meet in the future to accommodate your schedule. Our desire is to have as many ladies as possible to come enjoy our time of fellowship.

Christian Women's Fellowship last met Tuesday March 26, 2023. Barbara Lynn presented a lovely program about Mary, the mother of Jesus, in which we all participated by reading Scripture passages about her life. After the meeting several of us went to lunch together to continue the fun.

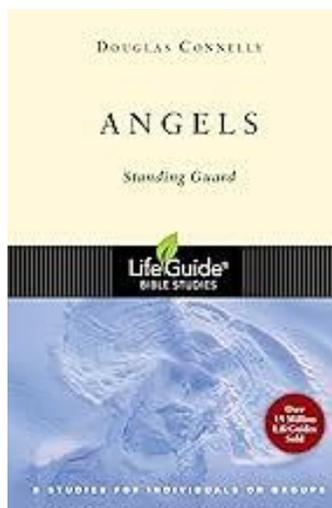

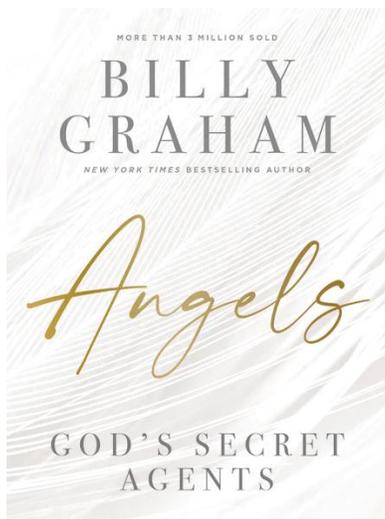

Proceeds from the sale of the RADA cutlery and soup mixes held the past few Sundays will be contributed to BEAM and First Coast Women's Services. We will have a table in Fellowship Hall following worship services on April 7th and April 14th with catalogues that people can check out to review and return with any orders to Jeanie Peters. Our next meeting will be Tuesday April 23rd at 10:00 in the ocean-view room on the second floor. Hope to see you there!
